

# *Certification for the Fishmeal and Fish Oil Industry*

*Andrew Mallison, Global Fishery Forum 2017 (St Petersburg 14<sup>th</sup> – 15<sup>th</sup> September)*

# What do we do?

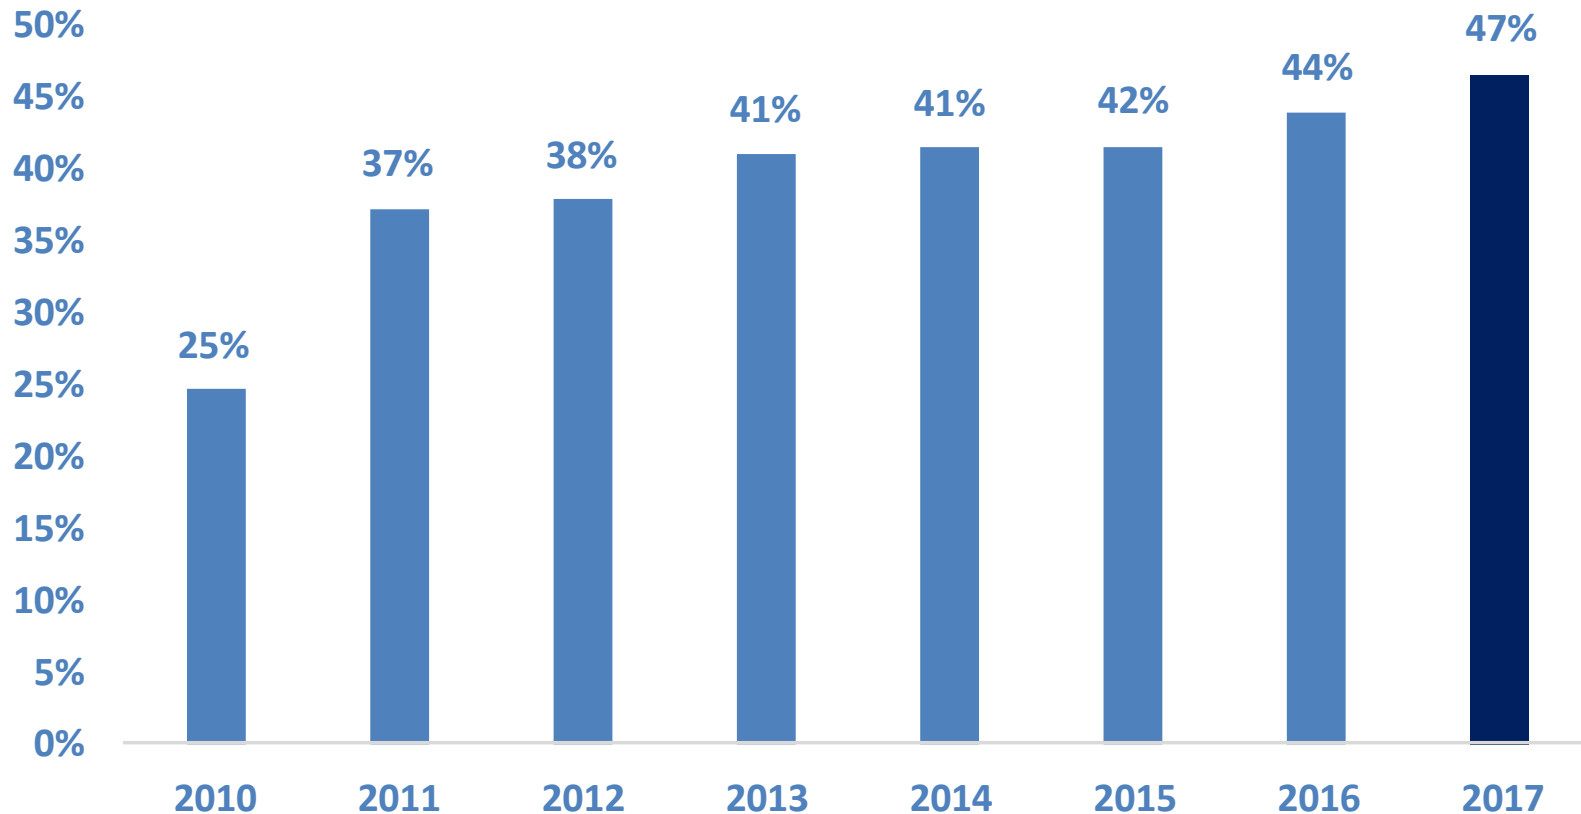

# Unit of certification for different standards

- **Comply with international norms (ISO65).**
- **Stakeholder engagement**
- **Transparency**
- **Impartial (Standard Setting, Accreditation and Certification)**
- **Is the “bar” set appropriately?**
- **Fairness in assessment process**
- **Delivers positive change**
- **Accessible to all**

- *B2B, not an ecolabel.*
- *Factory must demonstrate:*
  - ✓ *responsible sourcing of raw material and*
  - ✓ *safe and traceable production.*
- *123 certified marine ingredients producing factories located in 17 countries.*

## World fishmeal and fish oil IFFO RS compliant
